

ACTIVE BATHING – LEADING THE WAY IN BATHING SOLUTIONS

Established in 1993, Astor-Bannerman has built an exceptional reputation within the Social Services and Local Authority Sectors. Active Bathing is proud to be a part of the Astor-Bannerman (Medical) Ltd group of companies and is fast becoming one of the UK's key providers of assisted bathing, showering and patient transfer solutions in the long term care sector.

Active Bathing offers one of the industry's most comprehensive ranges of assisted bathing products for long term care environments, all of which have been developed using the very

latest in technology and design. Active Bathing manufacture the only assisted bath designed specifically for Dementia Care. In addition to providing quality equipment, Active Bathing takes

great pride in being able to offer team meetings, site surveys, assessments, room planning and training nationwide – at no cost and without obligation.

The range of equipment available from Active Bathing covers high, medium and low dependency as well as catering for bariatric requirements. For more information on the full range of bathing solutions available, call 01242 820820, email sales@activebathing.co.uk or visit www.activebathing.co.uk/info
